Environmental Education After School Coordinator

Coastal Expeditions, Inc.

514-B Mill Street, Mount Pleasant, SC 29464

Since 1992, we've been guiding people into the wild beauty of the South Carolina coast—by kayak, paddleboard, and boat—with the belief that meaningful experiences in nature change us for the better. As naturalists, storytellers, and locals, we love sharing what we know about this place: its tides and trails, its wildlife and history, its hidden corners and open skies. From Cape Romain to Beaufort, our waterside outposts connect people to the Lowcountry's creeks, estuaries, and barrier islands. We're here to make the outdoors feel close, accessible, and unforgettable. We look to our staff to make this goal a reality.

Job Position Description

Coastal Expeditions is looking for an enthusiastic **Environmental Education After School Coordinator** to lead our growing After School Explorers program. If you love working with children, have a passion for the outdoors, and enjoy creating hands-on learning experiences, we'd love to meet you.

Every afternoon, you'll help children discover the Lowcountry through boat rides, kayaking, crabbing, fossil hunting, wildlife observation, environmental education, and outdoor adventure. Our goal is simple: inspire the next generation to love and protect the natural world while having an incredible time outside.
